

## Consuls

According to FP surveys, a large number of FPs, who have no easy access to any of the regional FP Clubs, would appreciate the opportunity of meeting up with each other at a time and in a place of mutual convenience. While, for constitutional reasons, the proliferation of formal Dollar Academy FP Clubs is deemed to be inappropriate, in 2004 Dollar re-established the practice of the 1940s by encouraging individuals to act as regional FP Consuls. Anyone interested in meeting in any of these countries might like to contact a Consul.
